**Re:** Finance Department Activity Report – April 2023

---

Following is information pertaining to Finance Department activities through the end of April 2023 and included herein is an updated 2023 Budget to Actual Comparison of Revenues and Expenditures through the end of April.

## **2022 Year-end Process**

The 2022 books were closed during April. We have begun the preparation of the annual financial report and will have it completed by the end of May. We hope to have the State Auditor's Office on site in June to begin the audit of 2022.

## **2023 Budget Amendment**

As we have progressed through 2023 the need for a number of budget amendments has arisen. Council review will take place at the following meetings:

- May 2 Admin Report
- May 16 Public Hearing
- May 16 First reading on proposed ordinance amending the 2023 Budget
- May 30 Second reading on proposed ordinance amending the 2023 Budget

## **2024 Budget Development**

The 2024 Budget development process began in the Finance Department in early March, and on March 31<sup>st</sup> we sent detailed budget requests to all departments to complete by mid-May. By the time the budget is scheduled to be adopted on November 7<sup>th</sup>, the Council will have had an opportunity to discuss the budget on seven occasions including three public hearings.

- June 13 Council budget workshop
- August 29 Admin report on 2024 revenues and expenditures
- September 12 Public hearing #1 on the 2024 revenues and expenditures
- October 3 City Manager's presentation of preliminary 2024 Budget
- October 10 Public hearing #2 on 2024 Budget
- October 24 First reading on proposed ordinance adopting the 2024 Budget
- November 7 Public hearing #3 on the 2024 Budget
- November 7 Second reading on proposed ordinance adopting the 2024 Budget

## **Budget to Actual Comparison Report**

A report reflecting 2023 Budget to Actual Revenues and Expenditures for those funds for which a 2023 Budget was adopted is located on pages 5 through 18. Because we attempt to provide this information in a timely manner, this report is prepared from records that are not formally closed by the Finance Department at month end or reconciled to bank records. Although it is realistic to expect the figures will change over subsequent weeks, I believe the report is materially accurate.

We've included the following information in the report:

- Revenues by source for all funds, and expenditures by department in the General Fund and by type in all other funds.
- A breakdown between recurring and nonrecurring revenues and expenditures in the General Fund, Street O&M Fund and Stormwater Fund.
- The change in fund balance including beginning and ending figures. The beginning fund balance figures are those that are reflected in our 2022 Annual Financial Report.
- Columns of information include:
  - The 2023 Budget
  - April 2023 activity
  - Cumulative 2023 activity through April 2023
  - Budget remaining in terms of dollars
  - The percent of budgeted revenue collected or budgeted expenditures disbursed

A few points related to the General Fund #001 (page 5):

Recurring revenues collections are currently at 23.15% of the amount budgeted with 33.33% of the year elapsed.

- Property taxes are paid to Spokane County in two installments each year on April 30 and October 31 and are then remitted to the City primarily in May and November with lesser amounts typically remitted in June and December. Property taxes received thus far in 2023 are \$892,611 or 6.58% of the amount budgeted.
- Sales tax collections represent only three months of collections thus far because taxes collected in April are not remitted to the City by the State until the latter part of May. Collections are currently at \$7,598,140 or 24.87% of the amount budgeted.
- Gambling taxes are at \$143,502 or 37.47% of the amount budgeted. Gambling taxes are paid quarterly with first quarter payments due by April 30.
- Franchise Fee and Business Registration revenues are typically received in the month following a calendar year quarter. So far in 2023 we have received \$86,469 or 7.12% of the amount budgeted.
- State shared revenues are composed of State of Washington distributions that include items such as liquor board profits, liquor excise tax, streamlined sales tax mitigation and criminal justice monies. Most of these revenues are paid by the State in the month following a calendar quarter. Through April we've received remittances totaling \$651,931 or 27.85% of the amount budgeted.
- Fines and forfeitures revenues are composed of monthly remittances from Spokane County with payments made in the month following the actual assessment of a fine and false alarm fees. Through April we've received remittances through the month of March with receipts of \$114,569 or 22.09% of the amount budgeted.
- Community and Public Works service revenues are largely composed of building permit and plan review fees as well as right of way permits. Revenues are currently at \$1,468,034 or 46.66% of the amount budgeted.

- Recreation program revenues are composed of revenues generated by the variety of parks and recreation programs including classes, swimming pools (in-season), and CenterPlace. Currently, revenues total \$313,792 or 50.17% of the amount budgeted.

Recurring expenditures are currently at \$13,223,736 or 24.94% of the amount budgeted with 33.33% of the year elapsed.

#### **Investments (page 19)**

Investments at April 30 total \$110,577,519 and are composed of \$105,407,674 in the Washington State Local Government Investment Pool and \$5,169,845 in bank CDs.

#### **Total Sales Tax Receipts (page 20)**

Total sales tax receipts reflect State remittances through April and total \$8,589,415 including general, criminal justice, and public safety taxes. This figure is \$395,586 or 4.83% greater than the same three-month period in 2022.

#### **Economic Indicators (pages 21 – 23)**

The following economic indicators provide information pertaining to three different sources of tax revenue that provide a good gauge of the health and direction of the overall economy.

1. Sales taxes (page 21) provide a sense of how much individuals and businesses are spending on the purchase of goods.
2. Hotel / Motel taxes (page 22) provide us with a sense of overnight stays and visits to our area by tourists or business travelers.
3. Real Estate Excise taxes (page 23) provide us with a sense of real estate sales.

Page 21 provides a 10-year history of general sales tax receipts (not including public safety or criminal justice) with monthly detail beginning January 2014.

- Compared with calendar year 2022, 2023 collections have increased by \$345,642 or 4.77%.
- Tax receipts reached an all-time high in 2022 of \$32,347,046, besting the previous record year of 2021 when \$31,499,534 was collected.

Page 22 provides a 10-year history of hotel/motel tax receipts with monthly detail beginning January 2014.

- Compared with calendar year 2022, 2023 collections have increased by \$196 or 0.15%.
- Collections reached an all-time high in 2022 of \$901,686, besting the previous record of \$744,437 in 2021.

Page 23 provides a 10-year history of real estate excise tax receipts with monthly detail beginning January 2014.

- Compared with calendar year 2022, 2023 collections have decreased by \$556,888 or 46.30%.
- Collections reached an all-time high in 2021 of \$6,218,227.

#### **Debt Capacity and Bonds Outstanding (page 24)**

This page provides information on the City's debt capacity, or the dollar amount of General Obligation (G.O.) Bonds the City may issue, as well as an amortization schedule of the bonds the City currently has outstanding.

- The maximum amount of G.O. bonds the City may issue is determined by the assessed value for property taxes which for 2023 is \$16,292,740,920. Following the December 1, 2022 debt service payments, the City has \$9,810,000 of nonvoted G.O. bonds outstanding which

represents 4.01% of our nonvoted bond capacity, and 0.80% of our total debt capacity for all types of bonds. Of this amount:

- \$3,430,000 remains on bonds issued for the construction of CenterPlace. These bonds are repaid with a portion of the 1/10 of 1% sales tax that is collected by the Spokane Public Facilities District.
- \$155,000 remains on bonds issued for road and street improvements around CenterPlace. The bonds are repaid with a portion of the real estate excise tax collected by the City.
- \$6,225,000 remains on bonds issued for construction of the new City Hall. The bonds are repaid with General Fund revenues.

#### **Street Fund Revenue Sources** (pages 25 and 26)

The last two charts reflect a history for the two primary sources of revenue in Street Fund #101. These include:

Page 25 provides a 10-year history of Motor Vehicle Fuel Tax collections with monthly detail beginning January 2014.

- Compared with calendar year 2022, 2023 collections have decreased by \$13,425 or 2.96%.
- Tax receipts peaked in 2007 at just approximately \$2.1 million and have generally ranged around \$2 million in the years 2014 through 2022.

Page 26 provides a 10-year history of Telephone Utility Tax collections with monthly detail beginning January 2014.

- Compared with 2022, 2023 collections have decreased by \$56,651 or 23.29%. Unlike tax revenues collected by the State and remitted monthly, these taxes are paid to the City directly by the service provider. Consequently, there is not a "clean cutoff" in terms of when a vendor pays the tax. We expect that the significant decrease seen this month is due to a timing issue of when the payments were received. We believe the total will more comparative to 2022 after the next month is reported.
- Tax receipts peaked in 2009 at \$3,054,473 and have decreased each year since due to what we suspect is the reduction in land lines by individual households as well as a reallocation of revenues from voice plans to data plans by cell phone companies.
- The 2023 Budget was adopted with a revenue estimate of \$857,000. We will watch actual receipts closely as the year progresses.

Sales tax receipts reported here reflect remittances for general sales tax, criminal justice sales tax and public safety tax.

The sales tax rate for retail sales transacted within the boundaries of the City of Spokane Valley is 8.9%. The tax that is paid by a purchaser at the point of sale is remitted by the vendor to the Washington State Department of Revenue who then remits the taxes back to the various agencies that have imposed the tax. The allocation of the total 8.9% tax rate to the agencies is as follows:

- State of Washington	6.50%	 2.40% local tax
- City of Spokane Valley	0.85%	
- Spokane County	0.15%	
- Spokane Public Facilities District	0.10% *	
- Criminal Justice	0.10%	
- Public Safety	0.10% *	
- Juvenile Jail	0.10% *	
- Mental Health	0.10% *	
- Law Enforcement Communications	0.10% *	
- Spokane Transit Authority	0.80% *	
	<u>8.90%</u>	

\* Indicates voter approved sales taxes

In addition to the .85% reported above that the City receives, we also receive a portion of the Criminal Justice and Public Safety sales taxes. The distribution of those taxes is computed as follows:

Criminal Justice: The tax is assessed county-wide and of the total collected, the State distributes 10% of the receipts to Spokane County, with the remainder allocated on a per capita basis to the County and the cities within the County.

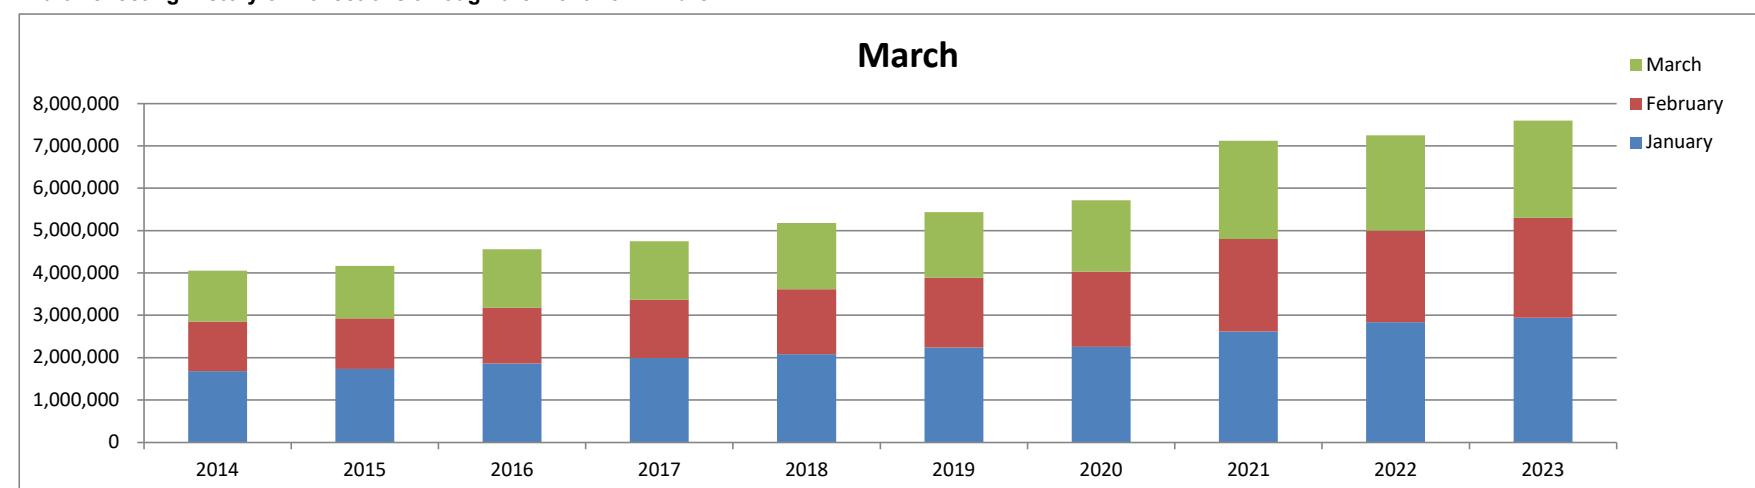

Public Safety: The tax is assessed county-wide and of the total collected, the State distributes 60% of the receipts to Spokane County, with the remainder allocated on a per capita basis to the cities within the County.
