To foster vigorous community partnerships.

To advocate health, wellness and physical activity.

To promote corporate and private events which will help stimulate our local economy.

To produce customized, high quality events.

To provide an experience that showcases the values of Spokane Valley.

Sustainability - maintain the building’s value and sustainability, through thoughtful and well organized maintenance procedures.

Energy Efficiency - continue to apply common sense energy practices and search for new and innovative ways to apply future technologies to the existing structure.

Maintaining Building Integrity - Look for ways to improve and/or add value to the facility without losing the original vision for the facility and campus.
